”

Do not wait to strike till the  
iron is hot, but make it hot by  
striking

– William Buffer Yeats

## ABOUT US

---

Incorporated in the year 1976 at Agra, Uttar Pradesh, we "S.G. INDUSTRIES" are engaged in manufacturing and supplying of Ferrous and Non-Ferrous Castings. At SGI Foundry, we're always available to facilitate the production of your high-volume iron casting projects. Operating as a foundry supplier, we serve both large & small businesses and OEMs. We cast metal with meticulous attention with over 45 years of experience in the foundry industry.

### **"Anything worth having takes time."**

The products offered are tested on well-defined parameters/technical standards by our quality auditors. We are offering products designed and made using the best available raw materials to ensure durability; performance & reliability. The customers can be sure of product quality, product reliability, latest operating system, cost-effectiveness, power efficiency, and optimum productivity from our products.

# OUR MISSION

---

Continue to be India's leading quality Green Sand Casting manufacturer through innovative and Cutting-Edge Technology and methods, with great technical knowledge, at low cost to improve our customer's satisfaction and deliver outstanding value through innovation, creativity, teamwork, and resourcefulness. We aim to provide the best solutions to our customers.

## VISION

Our aim is to grow along with our customers by offering quality products, and through constant technological innovation. We understand the needs of our customers and stay focused on them by offering them products, services and solutions of the highest quality.

### Quality

We consistently achieve to agreed standards and continuously improve the quality of our products

### Innovation

We create and deliver new value for our customers and the business in alignment with our vision

### Growth

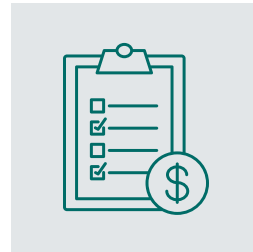

We build sustainable value through the achievement of business and personal goals

# WHY US

The following remarkable factors set us apart from our competitors in the industry

Quality assured products

Industry-leading prices

Customer feedback

Customization flexibilities

Quick Delivery

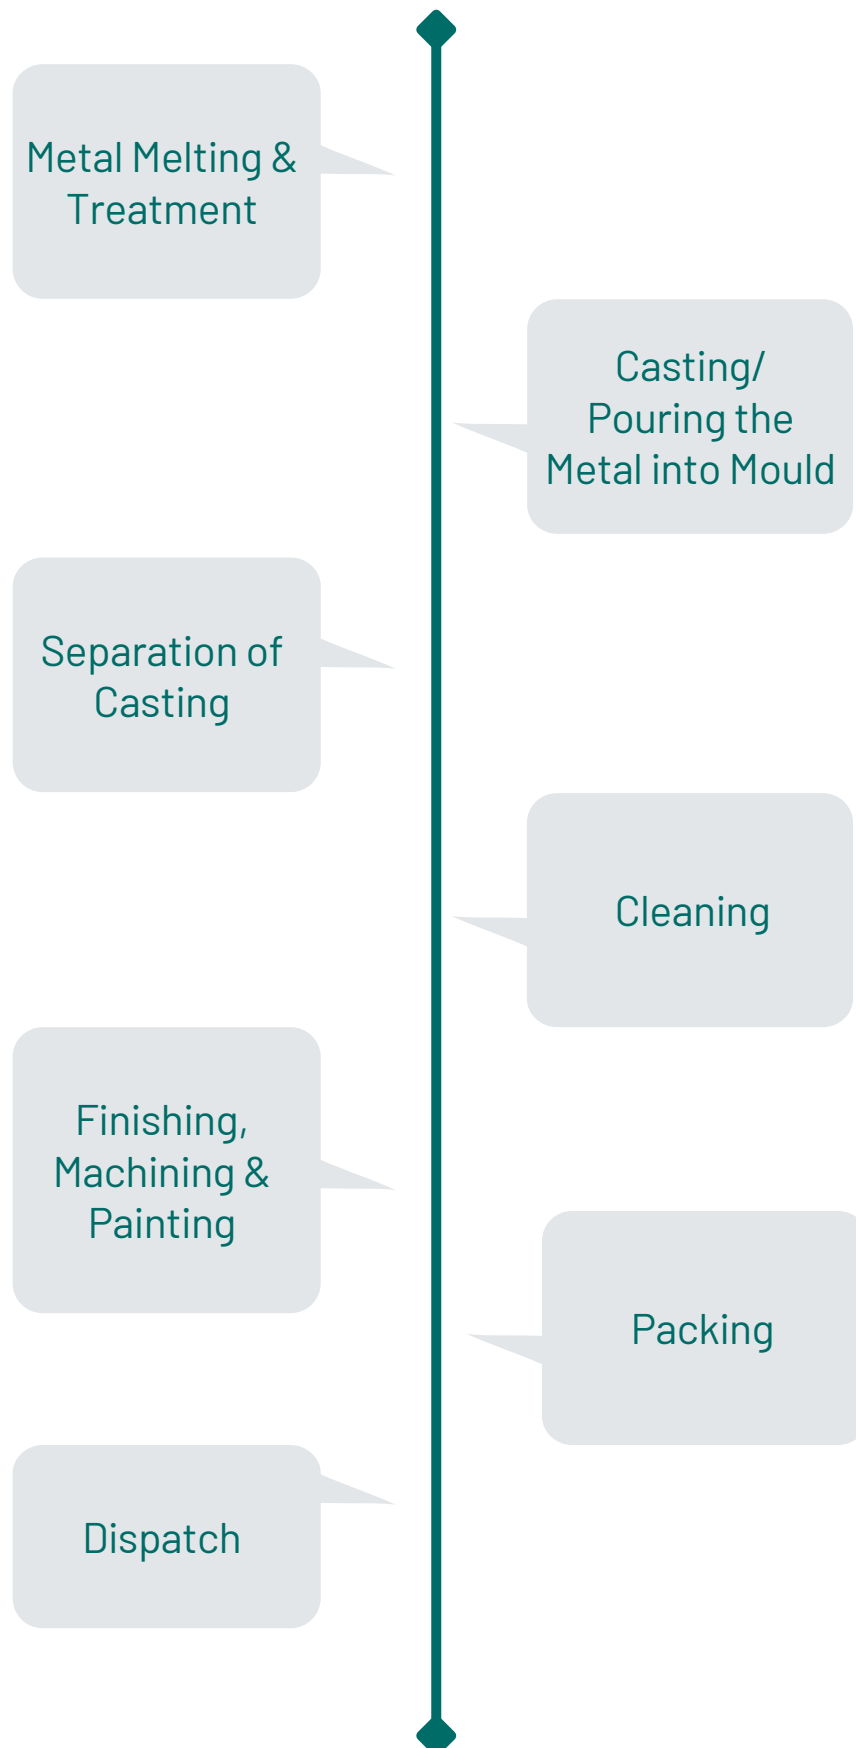

## CASTINGS OFFERED

- Heat Resistant Steel
- SG Iron
- Mild Steel Casting
- Cast Iron
- Ni-Hard
- High-Chrome
- Shell moulding
- Aluminium Casting
- & many more...

# MACHINERY & EQUIPMENTS

---

## LAB

- Spectrometer
- Mould Hardness
- Temperature Measuring Pyrometer
- CE Meter

## MELTING

- Induction Furnace Inductotherm Make
  - Inductotherm VIP 250 KW Panel
  - 2 Crucibles Capacity 300 Kg/Hr
  - 1 Crucibles Capacity 500 Kg/Hr
  - Cupola Furnace Capacity 300 Kg/Hr
  - 1 Cast Iron Cuicable Capacity 250 Kg/Hr

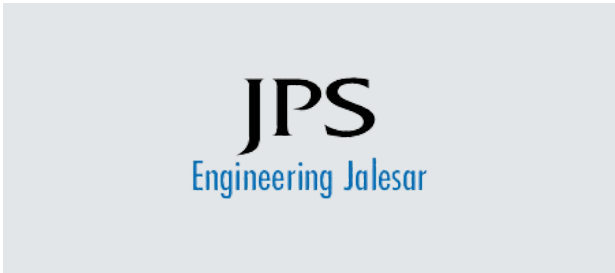

## MACHINE SHOP

- Computer Numerical Control (CNC)
- Vertical Machining Center (VMC)
- Lathe
- Vertical Balancing Machine
- Drilling Machine

# OUR CLIENTS

A true partnership is a two-way street – ideas and information flow openly and regularly, based on a foundation of mutual trust and respect for one another’s expertise – and our clients embrace this philosophy.

## CONTACT US

---

If you have any queries, feel free to reach us

### Navneet Singhal

Partner

He is having vast experience in the Iron Foundry industry for over 25 years. Under his supervision, S.G. Industries has shown tremendous growth Turnover wise as well as Expansion wise.

### Rahul Singhal

Partner

He is having great experience of over 20 years in the Iron Foundry Industry. Under his guidance, the Firm has reached standards of perfection of casting Iron products.
